Children

of survey respondents' children are better prepared with skills needed for success in 4K.

Children

of survey respondents' children are more confident about starting 4K.

Children

of survey respondents' children are better prepared with 4K behavior expectations.

Parents of children in the Countdown to 4K program are better prepared to support their child with skills needed for success in 4K, are more confident about their child starting 4K, and know their child's 4K teacher better.

"I like how my child's teacher was able to connect with her on a one on one basis and gave the opportunity for my daughter to get comfortable with her teacher before school even started. It made her first few days at school a lot easier on all of us."

Parent/Caregiver,
Pickens County

Children

of survey respondents said their Countdown to 4K teacher always treated them with respect.

"The Countdown to 4K program is an excellent program that allows 4K students to learn, prepare and practice for the upcoming school year! It's a good way to meet and establish a relationship with the parents, students, and teacher and also making sure the child is comfortable."

Parent/Caregiver,
Newberry County
